

## **“Fellows in the News”**

Service and leadership are hallmarks of the International College of Dentists. By recognizing the noteworthy accomplishments and contributions of our peers we set an example for others to follow. Please help us to acknowledge Fellows who have been active in the profession or their communities in the next **IC Digest, The Journal of the European Section, International College of Dentists.**

Return this form to the Editor or your District Regent . And don't be modest. If *you* have been active this year please let us know! Thank you.
